U školi postoje školska
pravila koje moram
poštovati.

Ponekad moram sjediti
na mjestu i raditi
zadatke.

Ponekad sjedim za stolom s drugim učenicima.

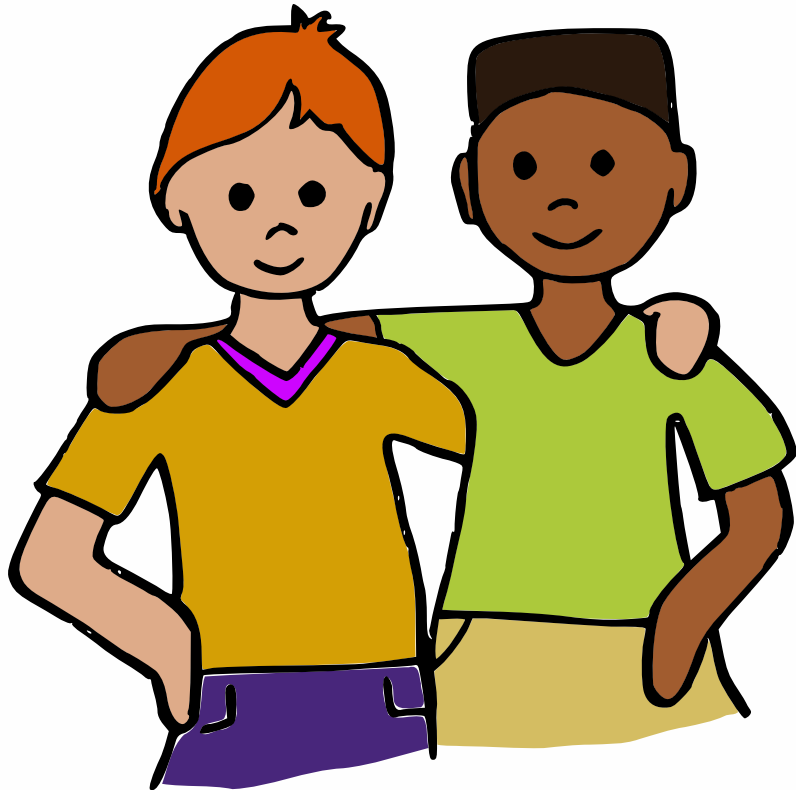

Na hodniku hodamo jedan iza drugog.

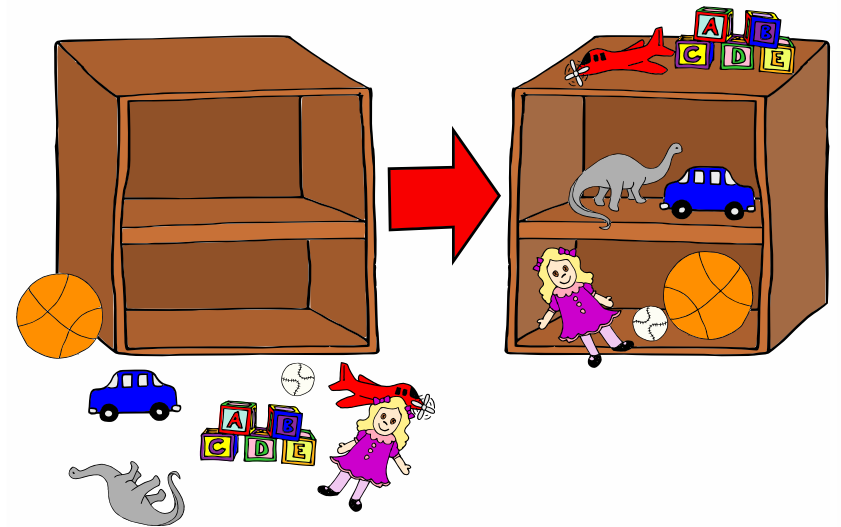

U redu čekamo jedan
iza drugoga.

Slušam kada učiteljica
govori.

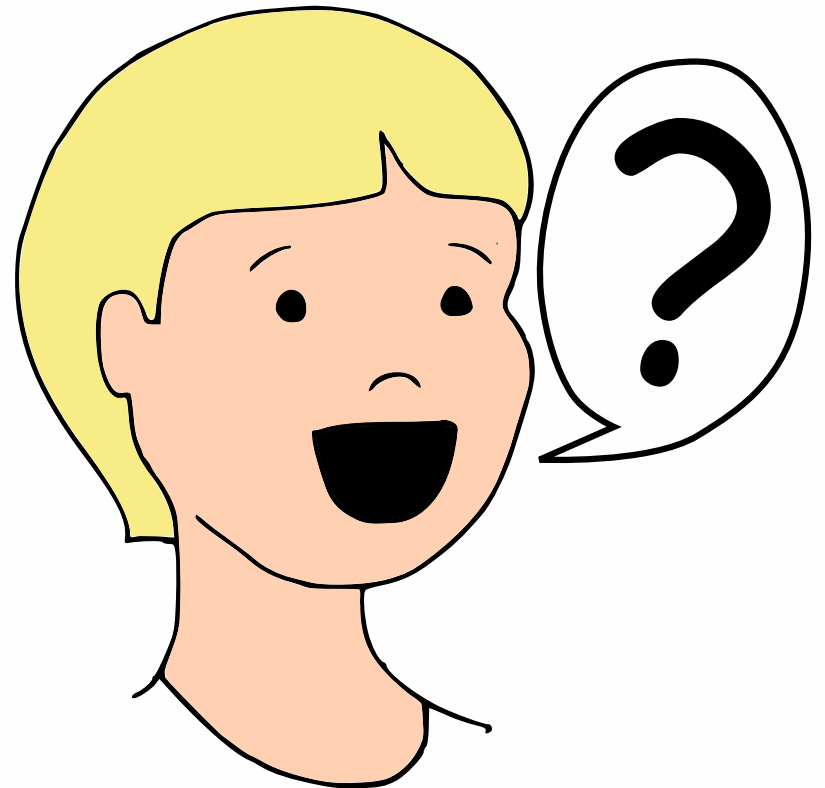

Poštujem svoje
prijatelje i učitelje.

Nakon rada pospremam
materijale.

Na kombiju nosim
masku.

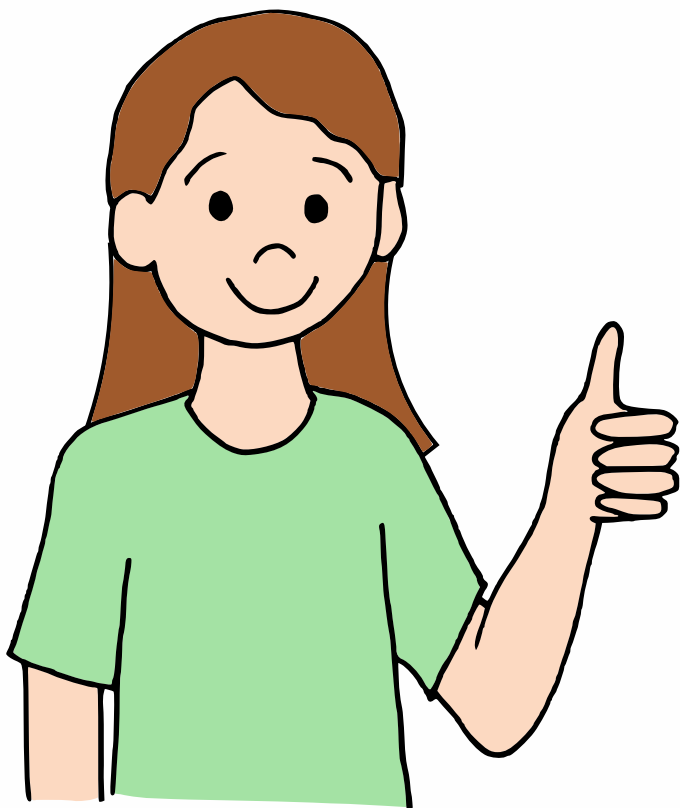

Kada nešto želim pitam
svoju učiteljicu.

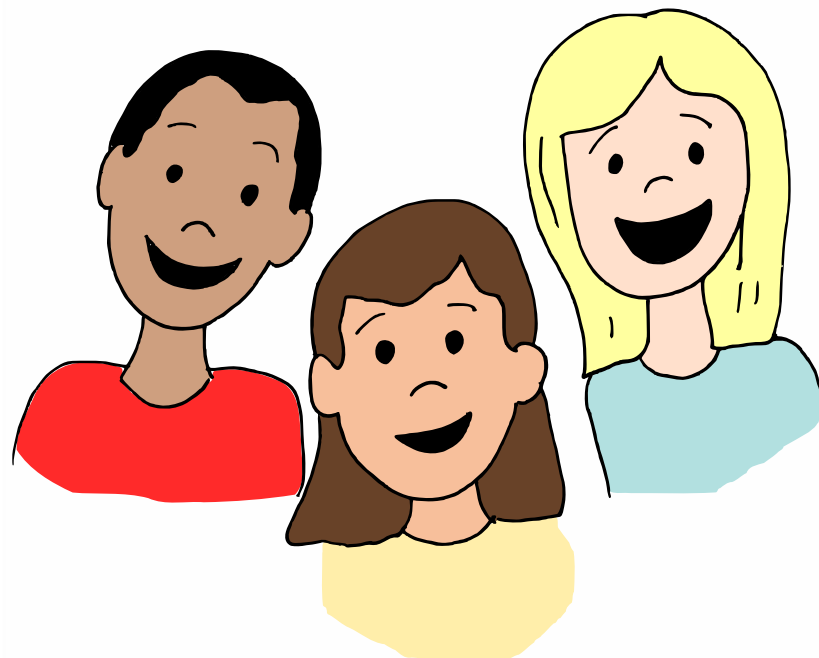

Volim ići u školu. U školi
je jako zabavno.

Kada poštujem pravila
svi se u školi osjećamo
dobro.

Moja učiteljica je
sretna i ponosna na
mene.

Kada poštujemo pravila
svi se u školi osjećamo
sretno i sigurno.
